Experience

Forte (Formerly AVI Systems), Pleasanton, CA
Installation Technician   Nov 2024 – Present

- Installed audiovisual equipment, such as displays, cameras, speakers, and related systems at various client sites across the bay area.

- Troubleshot various computer related issues in the office.

- Assisted with warehouse operations: received and organized incoming equipment, fulfilled pick requests, and maintained inventory.

- Gained hands-on experience in cable management, safe practices for warehouse and construction sites, and the installation of a wide range of AV hardware.

- Gained experience working in a corporate office environment within a large-scale organization.

- Used hand and power equipment for hoisting, measuring, testing, and drilling of various types of installations.

Regal Cinemas, Sacramento, CA
Floor Staff   Jun 2023 – Nov 2024

- Worked a variety of positions at the theater including: concessions, greeting guests, cleaning theaters, or working in the kitchen.

- Learned how to provide excellent customer service and resolve customer complaints.

- Became comfortable working and communicating with new coworkers due to the large staff.

- Operated point-of-sale systems for accurate ticket and concession sales.

- Provided exceptional customer service to enhance guest experiences at the theater.

- Maintained cleanliness and organization of theaters and common areas.

- Collaborated with team members to ensure efficient operation during peak times.

Elk Grove Unified School District, Elk Grove, CA
Substitute Food Nutrition Service Worker   Nov 2022 – Jan 2023

- Worked in school cafeterias preparing food, serving food to students, and cleaning up messes.

- Displayed proper food safety behaviors.

- Developed flexibility and quick learning due to this position being a substitute.

- Displayed strong communication skills in order to work with new set of co-workers oftentimes each shift.

Cosumnes River College, Sacramento, CA

Library Student Assistant   Aug 2021 – May 2022

- Assisted patrons with locating library materials and information resources.

- Managed circulation desk, checking out and returning library items efficiently.

- Organized and shelved books according to classification systems and library standards.

- Provided guidance on library services, programs, and events to visitors.

- Learned to adapt well to changing conditions due to the library flooding and the district requiring us to verify if people were vaccinated.
